

Dear Sir/Madam,

I am Subashini.T, completed M.Sc Mathematics. As I am in the procedure of finding the right job, I identified your company and find it the right place as I will have the scope of being a part of it, where I can execute my knowledge, which is my area of interest.

I would like to be a part of this reputed firm, where I can utilize my skills, knowledge & talent. This would be the right opportunity and I strongly believe that if given a chance I will prove myself and contribute to the growth & success of the organization.
