

Respected Sir/Madam

RE: APPLICATION FOR INTERNATIONAL RELATIONS ASSOCIATE

Following your job advert for an "INTERNATION RELATIONS ASSOCIATE" position on your website, I forward my application in response. I believe am the right candidate since I meet the qualifications and has an experience of 2 years in academic front.

Basically for the last two years I have been a research fellow in "Sri Aurobindo Divine Live Education Center and was a regular contributor to the "The Resurgent India Newspaper" run by the Education Center. Having been the Project Officer tasked with community mobilization and sensitization for 2 years, my good organisational skills and strong communication skills combined with my passion for working in this industry makes me a great fit for the position.

Also, I have considerable skills when it comes to field work which I acquired during my time at Resurgent India Organisation. My acquired skills will come in handy when working with the communities and will be an added asset to your organisation.

I am looking forward to meeting with you to discuss how my qualifications will be beneficial to your organisation.

Find attached my CV.

Your truly
Vikram Singh
